A BILL FOR

1 An Act relating to electric vehicle chargers in residential
2 garages.

3 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

1 Section 1. NEW SECTION. 103A.8D Residential garages —
2 electrical requirements.

3 The state building code commissioner shall adopt as part
4 of the state building code a requirement that a new garage
5 constructed for a single-family or two-family residence on or
6 after the effective date of this Act include the equipment
7 necessary to support the installation of a level two electric
8 vehicle charger. For the purposes of this section, "*level two*
9 *electric vehicle charger*" means an electric vehicle charger that
10 requires connection to a dedicated two hundred four volt or two
11 hundred eighty volt electrical circuit.

12 EXPLANATION

13 The inclusion of this explanation does not constitute agreement with
14 the explanation's substance by the members of the general assembly.

15 This bill requires the state building code commissioner to
16 adopt as part of the state building code a requirement that new
17 garages built for single-family or two-family residences on
18 or after the effective date of the bill include the equipment
19 necessary to support the installation of a level two electric
20 vehicle charger, as defined in the bill.
